

The Mitchell Gallery invites you to a presentation by

Norris Servais, B.S.E.E.

Norris, with many years at Milwaukee's Astronautics Corporation, will take you through the gates at Muroc (Edwards AFB), Lockheed's legendary "Skunk Works", and the fabled Area 51 and into the cockpits of record-setting aircraft like the North American X-15.

Wednesday, July 12, 2017, 7:00 PM

Mitchell Gallery of Flight

Located inside the terminal at Gen. Mitchell International Airport
between C and D Concourses (before TSA Security)
5300 S. Howell Avenue, Milwaukee

Free to Attend and Free Parking (limited seating)
